

Public Information Centre #1

Highway 69 Four-Laning

Phase 1 – G.W.P. 5402-05-00

1.0 km north of the New Highway 559 Interchange to 5.6 km north of existing Woods Road

THE PROJECT

The Ministry of Transportation has retained McCormick Rankin Corporation to undertake the Detail Design for the four-laning of approximately 17km of Highway 69 from 1.0 km north of the New Highway 559 Interchange to 1.5 km north of Highway 7182 (Shebeshekong Rd.) (G.W.P. 5402-05-00). The preferred alignment for this section of Highway 69 was identified and documented in a Route Planning and Environmental Assessment Report (December 2006).

THE PROCESS

The Detail Design will be implemented in two (2) phases:

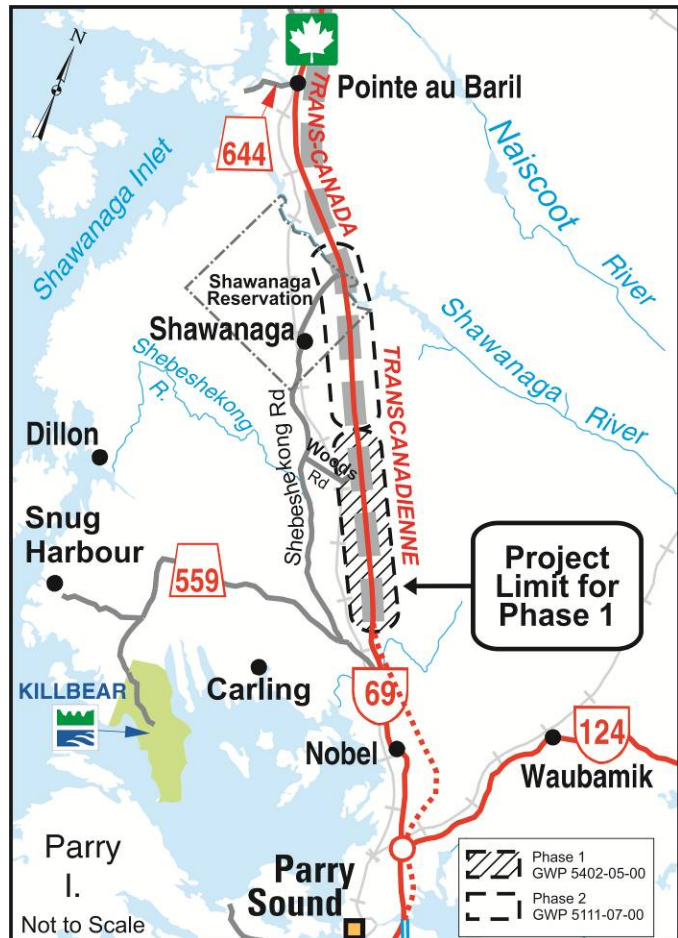

Phase 1 - 1.0 km north of the New Highway 559 Interchange to 5.6 km north of existing Woods Road

Phase 2 - 5.6 km north of existing Woods Road to 1.5 km north of the existing Highway 7182 (Shebeshekong Road)

Each phase may include an advance clearing contract and a main highway construction contract. This project will follow the approved environmental planning process for Group "B" projects under the *Class Environmental Assessment (Class EA) for Provincial Transportation Facilities (2000)*.

PUBLIC INVOLVEMENT

A Public Information Centre (PIC) for the Phase 1 Project Area will be held to provide residents and other members of the public an opportunity to review and comment on the project, exchange information and ask one-on-one questions of the Project Team. The PIC will be an informal, open-house style event, however, a brief presentation will be held at 5:30pm. You are encouraged to attend this PIC and to provide us with your views and comments so they can be addressed as the project progresses. A subsequent PIC will focus on Phase 2.

Input can also be provided through the project website (www.Highway69.ca).

PIC Venue Location

Date:	Tuesday, January 25, 2011
Location:	Nobel Ebenezer United Church 145 Hammel Avenue, Nobel
Time:	4:00 pm to 7:00 pm Presentation at 5:30 pm

COMMENTS

If you wish to obtain additional information about the project, be included on the project mailing list, or provide input at any point during the design project, please contact:
